PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the services of FNF, their agents, owners, officer, volunteers, participants, employees, all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "FNF"), I hereby agree to release, indemnify, and discharge FNF, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

- I acknowledge that horseback riding entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity. The risks include, among other things: contact with wild animals, hiking and exposure to the elements. A horse, regardless of its training and usual past behavior, may act unpredictably at times based upon instinct or fright which may cause you to be thrown from your horse or injured by the horse. Horses may do such things as bite, kick, buck, lie down, or stumble. Saddles may slip and other tack or saddle problems may develop as a result of normal use and wear. Your horse may collide with obstacles or encounter variations in terrain such as creeks, water, bridges, traveled roads, wild animals, birds, stumps, forest growth, debris, rocks, and cliffs and other obstacles whether obvious or not and whether man-made or natural. Each of those obstacles or variations in terrain could cause you to lose control of your horse and you could fall. Riding a horse requires the participant to balance on the saddle. Participants may lose their balance that can result in falling from the horse. Furthermore, FNF employees have difficult jobs to perform. They see safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather or other environmental conditions. They may give incomplete warnings or instructions, and the equipment being used might malfunction.
- I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.
- I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless FNF from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of FNF's equipment or facilities, including any such claims which allege negligent acts or omissions of FNF.
- Should FNF or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.
- I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.
- In the event that the lessee files a cause of action against FNF, the lessee agrees to do so solely in the State of Tennessee and further agrees that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. The lessee agrees that if any portion of this Agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect. By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against FNF on the basis of any claim from which I have released them herein. I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.

FNF Rider Responsibility Code

PLEASE READ CAREFULLY AND INITIAL BESIDE EACH STATEMENT BELOW:

☐ I understand that horses are independent living beings with their own minds and as such, can never be entirely predictable.

☐ I understand that there are always elements of risk in equestrian activities, including permanent disability or death, that common sense and personal awareness can help reduce.

☐ I am aware that at all times when on Faith N Friends Horse Rescue & Sanctuary (FNF) property it is MY RESPONSIBILITY to:

- Be alert and respectful of horse's intentions signaled with their ears and eyes and carried out with their teeth and hooves.
- Speak in a reassuring tone when approaching a shores or horses and avoid sudden movements or noises.
- Never leave horses unattended with their stall door open, in the stable aisles, while they are cross-tied, or in the riding arena.
- Always lead horses properly with a lead shank.
- Always wear appropriate clothing including durable shoes.
- Pick up and replace tack and equipment I have used in the barn or arena.
- Know locations of emergency telephones, ambulance and veterinarian's phone numbers and farm staff.
- Know all fire emergency procedures and never be intoxicated in the stable or allow others to do so.
- Read and follow all posted information and warnings.
- Comply promptly with all verbal directions of FNF staff and instructors unless I believe that by doing so I will endanger myself, other people, or horses, in which case I will immediately express my opinion to the person involved.
- Refrain from acting in any manner which may cause or contribute to my injury or the injury of other people or horses.

☐ I am aware that at all times when riding, it is my responsibility to:

- Never ride alone.
- Check all equipment and tack including the saddle, girth, straps, bridle, bit and curb strap prior to use for signs of weakness and proper adjustment.
- Use proper equipment and attire including a regulation hard-hat with a chin harness snugly fastened at all times and boots with heels. I also understand that regulation hard-hats are available for use at FNF.
- Ride in control ONLY on horses rated within my ability level.
- Be constantly aware of, anticipate, and be able to avoid nearby horses, people, obstacles, naturally and manmade hazards.
- Never tailgate and always audibly alert nearby riders and people on the ground in advance of changes in direction or when overtaking another horse.

☐ I understand that this is only a partial list, and I must be safety conscious and exercise sound judgement AT ALL TIMES. ANYONE found to be endangering themselves, other people, or horses faces immediate revocation of riding privileges WITHOUT EXCEPTION and removal from the premises.

WARNING

Under Tennessee Law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to Tennessee Code Annotated, title 44, chapter 20.
